

To use EBSCO eBooks:

1. Search the library's catalog for EBSCO eBooks you want to read.
2. Click the “Access EBook” button for the book.
3. You will be prompted for your name and library barcode or barcode and password for access to the EBSCO website.
4. You will be redirected to the EBSCO site after you are authenticated.
5. You will now be able to read the book online by selecting the “eBook Full Text” link.
 - Note: EBSCO eBooks are available to one person at a time. If the book is in use by another student, you will see the following note: "Sorry, this eBook is in use". Check back later to gain access.
6. Portions of the eBook may be printed to PDF by clicking on the “Print icon” on the right side of the screen.
7. You can search within the results by clicking the “Search within icon” on the right side of the screen.
