Step-by-step one-time setup instructions for downloading audiobooks to a mobile device such as a phone or tablet

1. Navigate to your App store on your device
2. Search for "overdrive"
3. Select the free "Overdrive Media Console" app for libraries
4. Download
5. The first time you download a title from the library you will be prompted to "Authorize" the Overdrive App
6. Either enter your email address and password for your Adobe ID or if you do not have an Adobe ID click "get an Adobe ID"
7. Fill in the fields to sign up for an Adobe ID
8. Return to the Authorization screen in your OverDrive App and enter the email address and password you created for your Adobe account
9. Click "Authorize"
10. Return to the library's catalog click "Check Out" (or "Place Hold")
11. You will be prompted to enter your name and library card number
12. Click - Login
13. If the audiobook is currently available to check out, select a checkout period (7, 14 or 21 days) and click "Check Out"
14. If the audiobook is not currently available to check out, you will be prompted to enter your email address. You will receive an email when the audiobook becomes available to download
15. You will be taken to your account where you can click - "Download" and select the mobile version. The video will download into the OverDrive app

*Note - Audiobooks return automatically on the due date. At this time there are no overdue fines and no renewals on titles
